

Dear Pathfinder Parents,

We are so thankful that your family has chosen our club. We are excited for the year ahead of us and look forward to getting to know you and your children better. We already have many fun meetings, campouts and service activities planned. This year's club is unique in that our goals don't end with this year, we are also looking forward to the International Pathfinder Camporee in Gillette Wyoming in 2024.

While the Pathfinder club guides the children a bit differently than perhaps Adventurers, as they gain some independence; we still want and need family involvement & participation to make this club the best it can be. Our hope is that the Pathfinder experience strengthens the bonds of all the families participating as well as creating kind, respectful and helpful members of the community.

The mission of our Pathfinder club ties well into our theme for the year "Believe the Promise." We want everything that we do this year to help our Pathfinders and their families grow closer and deepen their relationship with Christ. We aim to equip and support them as they begin to carry out the singular mission that Christ gave us all- to spread the gospel to all the nations of the world. The ultimate goal and mission is to see each other in Heaven, and to guide our Pathfinders to Believe the Promise.

It is an honor for us to serve this year as your Pathfinder staff. We pray that this year is a blessing to you and your family. Please let me know if you have any questions or comments.

Thank you for your support and assistance.

David Weber and the Pathfinder Staff
